

INTERNSHIP PROGRAM

Program Goals:

Program Objectives:

- Develop links with universities and colleges to promote CTVN as prospective employer.
- Create a relationship between interns and CTVN employees.
- Provide interns with opportunities for translating classroom theories into industry applications. Interns will have the opportunity to develop practical skills that will improve their chances for success within the broadcast industry.

Eligibility Requirements:

- The applicant must be attending an accredited institution. Graduate students also are eligible. Preferably, applicants should be communication majors, though other majors will be considered.
- The applicant must be at least 18 years of age.
- The applicant must be in good academic standing, as defined by his or her academic institution.
- The applicant must receive academic credit for the internship experience. He or she must be registered for college credit at his or her institution during the quarter or semester in which the internship is performed. Interns are not paid.
- In addition to meeting the institution's eligibility requirements, the applicant must meet the station's eligibility requirements.
